Posted by Nadia Iliffe - 2008/06/15 07:38

Our 2008 Summer Sale starts today. We're offering 20% off absolutely everything in our shop for a limited time. Now's the time to load up on tea for the summer or try one of our glass teapots. We've just launched several new tea sets including our top of the range Imperial set (great wedding gift!) and a very cool looking glass infuser mug.

To get the 20% discount, simply enter in the coupon code SUMMER08 when you go through checkout.

Kind regards
